How to fit & measure a meter box door?

1. Remove the existing damaged meter box door by depressing the brass pin, the bottom pin will just slot out.
2. Measure the overall width and length of the door, then measure from the bottom of the door to the top of the hinge and then the hinge only. Same procedure for the top hinge, measuring from the top of the door to the bottom of the hinge and again measure the top hinge only.
3. Fit the new Tricel door by holding it upright and placing the steel pin into the pre drilled hole at the bottom of the box. Position the brass spring pin under the pre drilled hole at the top of the box, pressing down and releasing the spring pin allowing it to slot into place.
4. Close the door as normal.

How to install a meter box door?

1. The left hand side of the box has pre-drilled holes into which the door pins are inserted.
2. Hold the door upright and insert the solid stainless steel pin into the bottom recess.
3. Press in the brass spring pin fully and slide into the top recess allowing the pin to spring back into the pre-drilled hole.
4. Close the door as normal and lock.

Can doors hang both sides?

No, unfortunately meter box hinges are fixed to only one side.

I need to track my order, can you find out where it is?

To help us track your order, please fill in as much information as possible on our order tracking form. A member of our sales team will respond ASAP.

How are the delivery costs calculated?

The cost of the delivery is calculated according to the weight of the order. All items are despatched by courier with the exception of the "Replacement Key for Electric Meter Boxes", which is sent via Royal Mail.

How long will my order take if I order today?

Deliveries placed Monday-Friday (excluding bank holidays) before 11 am are generally dispatched on the same day. If you live in mainland UK you can normally expect delivery for the following working day (Monday-Friday). For the Scottish Highlands / Islands please allow at least 2 working days for delivery. If an order is placed after 11 am on a particular day (Monday to Friday), the order will be dispatched on the following working day. Weekend orders will be dispatched on Mondays (excl. bank holidays).

I've ordered the wrong meter box / door, what do I do?

No problem! We accept returns. Please post your order back to us at Tricel (Gloucester) Ltd., Fox House, Stonedale Rd, Stonehouse, Gloucestershire GL10 3SA, United Kingdom. Please be sure to include your order number and contact details so we can refund your order as quickly as possible. Please note, we are unable to refund any postage costs.

I require a VAT invoice for my purchase, can you send me one?

Yes, no problem. Please submit a message through our contact form and a member of our accounts team will process and order invoice within 1-2 working days.

I would like to become a trade customer, is this possible?

Yes, this is possible. Please phone us on +44 844 809 4206

Can I buy online?

Yes, all of our meter products are available to buy online. We accept payment through Sage Pay or Paypal. Once payment is received you will receive an immediate order confirmation through the email address provided at checkout.

A blue rectangular button with the text "BUY ONLINE" in white, bold, uppercase letters.
